

BAG - Energy Research Society

Dated: 27/12/2008

Prof. M. S. Sodha,
Padam Shri
Chief Patron
(+91-522-2740391)
(+91-522-2788033)

Subject: Donation for energy efficient BERS's complex at Varanasi (UP) with tax exemption under 80G.

APPEAL: Your valuable contribution may help basic energy needs of many human beings on planet earth: Prof. G. N. Tiwari.

Dear Sir/Madam,

The Bag Energy Research Society (BERS) was formed in the year 2007 for energy education in the rural areas of India. The chief patron of BERS is Padmshree Professor M.S. Sodha, FNA. The BERS has been registered (Regd. No. 58705/2007) under the society act 1961 of India. For aims and objectives of BERS, kindly visit the website: www.bers.in.

On November 24, 2008 Padmshree Professor M.S. Sodha has laid the foundation stone for BERS's complex at Mahamana Nagar Colony, Karaundi, Varanasi after Puja at site.

A large number of governing body members along with participants from New Delhi, Lucknow, Ballia, Jamshedpur, Jaipur, Varanasi, etc. have participated in the ceremony. Some glimpse of Puja ceremony is also available on the website.

The construction work of BERS's temple complex at Varanasi (UP) will start very soon. The cost of BERS's temple complex has been estimated to be around Rs. 12.5 millions (USD \$ 250000). The BERS's temple complex will have a unique feature with energy conservation of about 25-30% by using various heating and cooling concepts of building.

The governing body members in the meeting held on November 23, 2008 under the chairmanship of Prof. M.S. Sodha have decided to generate the funds to complete the BERS's temple complex before 2012 for holding an International Conference in the area of 'Solar Energy' on occasion of 80th birthday of Prof. M.S. Sodha.

Generally it is believed that the 'Panchkoshi' area of Kashi has a lot of religious significance. The BERS's temple complex belongs to the 'Panchkoshi' area of Kashi. The BERS's temple complex will be used for community services including senior citizens and needing kids/students to fulfil the aims and objectives of BERS.

Hence it is requested to concern/interested personals/ NGO/companies etc. to donate the money. The donation can be in the form of cash/cheque/draft in favour of **Bag Energy Research Society**, New Delhi and addressed to:

C/o, Prof. G. N. Tiwari
Centre for Energy Studies, Indian Institute of Technology (IIT) Delhi
Hauz Khas, New Delhi – 110016 INDIA.

The list of some donors is available on www.bers.in.

The donor will be duly acknowledged as per resolution adopted by governing body meeting held on November 23, 2008 at Varanasi. The minutes of meeting are available on website www.bers.in.

We will appreciate very much for your kind help for BERS.

Thanking You.

With kind regards,

Swapnil Dubey, Secretary

Vijay Kr. Dwivedi, Treasurer
