

BAG - Energy Research Society

Second Appeal

Dated: 22/04/2009

Prof. M. S. Sodha,
Padam Shri
Chief Patron
(+91-522-2740391)
(+91-522-2788033)

Subject: Donation for energy efficient BERS's complex at Varanasi (UP) with tax exemption under 80G.

APPEAL: Your valuable contribution may help basic energy needs of many human beings on planet earth: Prof. G. N. Tiwari.

Prof. G. N. Tiwari
President
(+91-11-26591258)

Dear Sir/Madam,

On the behalf of the Bag Energy Research Society (BERS), the Governing body of BERS thanks to all donors for their financial contribution during the financial year 2007-2008. The donors have been duly acknowledged on the website of BERS (www.bers.in). It is further to be informed that the construction work at Varanasi for BERS's complex has already been started on January 31, 2009 on the auspicious day of Basant Panchami. It is expected that the ground and first floor will be completed in the current financial year.

As informed earlier, the cost of BERS's temple complex has been estimated to be around Rs. 12.5 millions (USD \$ 250000). The BERS's temple complex will have a unique feature with energy conservation of about 25-30% by using various heating and cooling concepts of building.

It has been planned to lay statue of Goddess Ma Kali, Ma Lakshmi and Ma Sarswati in the first Navratra of the year 2010. Puja ceremony will be held at BERS complex at Varanasi and Padma Shree Prof. Sodha will perform the puja.

The governing body members in the meeting held on February 08, 2009 at IIT Delhi under chairmanship of Prof. M.S. Sodha have decided for second appeal to generate the additional funds to complete the BERS's temple complex before 2012 for holding puja during laying the statue of Goddess and an International Conference in the area of 'Solar Energy' on occasion of 80th birthday of Prof. M.S. Sodha in the year 2012. The tentative proposed dates for the conference are February 07-09, 2012.

Generally it is believed that the 'Panchkoshi' area of Kashi has a lot of religious significance. The BERS's temple complex belongs to the 'Panchkoshi' area of Kashi. The BERS's temple complex will be used for community services including senior citizens and needing kids/students to fulfil the aims and objectives of BERS.

Hence it is requested to concern/interested personals/ NGO/companies etc. to donate the money. The donation can be in the form of cash/cheque/draft in favour of **Bag Energy Research Society**, New Delhi and addressed to:

Prof. G. N. Tiwari
Centre for Energy Studies,
Indian Institute of Technology (IIT) Delhi
Hauz Khas, New Delhi – 110016 INDIA.

The list of some donors is available on www.bers.in.

The donor will be duly acknowledged as per resolution adopted by governing body meeting held on November 23, 2008 at Varanasi. The minutes of meeting are available on website www.bers.in.

We will appreciate very much for your kind help for BERS.

Thanking You.

With kind regards,

(G.N.Tiwari)
President

(Swapnil Dubey)
Secretary

(Vijay Kr. Dwivedi)
